Ministry of Food Agriculture  
and Livestock  
of the Republic of Turkey

In accordance with the Decree of the President of the Republic of Uzbekistan of August 30, 2017 "On the formation of the State Plant Quarantine Inspection under the Cabinet of Ministers of the Republic of Uzbekistan" the Main State Inspection on Plants Quarantine at the Ministry of Agriculture and Water Resources of the Republic of Uzbekistan was transformed into the State Plant Quarantine Inspection under the Cabinet of Ministers of the Republic of Uzbekistan.

By the decree of the President of the Republic of Uzbekistan of December 18, 2017, Ergashev Ibrokhim Kenzhabayevich was appointed as chief of the inspection "Uzstatequarantine".

Inspection has the further honor to inform on renewal of phytosanitary certificate and quarantine license. In this regard updated samples of these phytosanitary certificate and quarantine license are attached, which has been put into use from the 1<sup>st</sup> March of 2018. Old samples shall be valid until 1<sup>st</sup> June of 2018.

At the same time, the Uzbek side requests not to issue the phytosanitary certificate without quarantine license of the Inspection "Uzstatequarantine" for subject to quarantine goods, imported to the Republic of Uzbekistan.
